503 Forest Service Rd #9

P.O. Box 422

Creede, CO 81130

719-658-0811

Located in the Historic Mining Town of  
**Creede, Colorado**  
Open Year-Round

## History of Museum

Blasted out of solid rock cliff by three Creede miners, construction of the museum began in 1990. County-hired laborers and volunteers completed all the other work, including rock removal, cribbing, rock battering and cement work. The next summer, tours were given to show actual mining in operation. The miners created 600 feet of drift with 22 displays, a gift shop and the Creede Community Center.

Over 17,000 people have visited the museum since guided tours began in 1992

## Community Center

The Community Center adjoins the Museum and acts as a gathering place for large groups. It may be reserved for parties, weddings, reunions, dances, or community gatherings. The Center features 3,500 sq. ft. of floor space, seating space for 200, full kitchen, bathroom facilities and audio/video equipment. The Annex, attached to the Center, offers an additional 6,000 sq.ft., seating space for 300 people and a fully stocked bar.

## Annual Events
